### **PRAYER**

I stand before You today, Lord ready for the challenges that this new week will bring.

Help me to keep the spirit of Your word alive in my heart and to remember that You are always with me, at home or at work, among strangers or friends, faced with struggles or joys.

Be with me, Lord, and guide me, wherever I go.

**Amen**

### **GOSPEL REFLECTION**

Lord, we thank you for our parents: - they were generous with their love; - they sowed the seeds of care, good advice and their own example. Often they saw no results as these seeds fell on the edge of the path, on patches of rock, or among thorns. But they sowed all the same, and eventually the seeds fell on rich soil and produced their crop.

### **QUESTIONS PEOPLE ASK**

**Q. Why should I have to go to Mass which I felt totally boring? I find my spirituality walking on the beach or in the woods.**

A. Mass is not about me but about God. It is not about what I think or how I feel but about adoring and praising God in a way that is worthy of God. Our own prayers may be great but nothing equals the privilege of joining with Jesus in the perfect response to God's glory. Glory to the Father is through Jesus as our Priest, with him who became our brother in human flesh and in him as members of his mystical body. 'Do this in memory of me', said Jesus and he wasn't talking about walking on the beach.

### **WHAT DIFFERENCE CAN WE EXPECT AT MASS IN SEPTEMBER?**

During September, congregations may begin to pray the new translation of the people's prayers at Mass. These new texts will be on missalettes and on congregational cards. In some places people will, by then, already be familiar with this congregational card through using it at weekday Mass or at parish meetings.

### **WHAT DIFFERENCE CAN WE EXPECT IN NOVEMBER?**

From the First Sunday of Advent congregations and priests will use the texts of the new edition of the Roman Missal for the celebration of Mass. While the structure, actions and pattern of the Mass will remain the same and the readings will be unchanged, the texts of recited prayers will sound different on our ears. Overtime, as the new style of language becomes familiar to us it is very much hoped that we will come to appreciate both the richness and depth of our prayer at Mass.

*Continues next week..*
