Questions People ask

Q. giving up something for Lent is good but what might I do to make Lent have a deeper impact on my life?

A. Lent begins with Jesus identifying & rejecting the temptations that would lead him away from his mission. We should try to identify how we are being misled from our true calling. Three questions come to mind. Am I too concerned about material things? Am I too self-centred & unresponsive to others? 'You must worship the Lord your God, and serve Him alone'

PRAYER FOR LENT

Faithful and loving God you bring us to the beginning of another Lent. We pray that during these forty days we may allow ourselves to be led by the Spirit on a journey of Renewal, Repentance and Reconversion to a more loving way of life. Send your Spirit upon us now that we may meet Jesus in the Word that comes from you. May we come to love Him more deeply and so be drawn closer to the happiness of Your Kingdom.

Amen

PRAYER TO ST. SENAN

While you were here with us
You protected us from all that might harm us, provided for those in need, and showed us how to pray to God our Father.
Inspire us now to protect each other from all that might harm us
Help us to see and help those in our community that are in need.
And may we gather together in prayer as a faith community in the faith you passed on to us.
