## INTERCESSIONS TODAY

### Pope Francis' Intention for September:

*That all people, and especially politicians, scientists and economists, may work together to protect the world's seas and oceans.*

### Our Parish's Intention for this week:

*We pray for the members of voluntary group, societies and associations who work tirelessly to build community & parish. We pray that their inspiring commitment will bear fruit in the lives of many*

## PRIESTS BENEVOLENT FUND

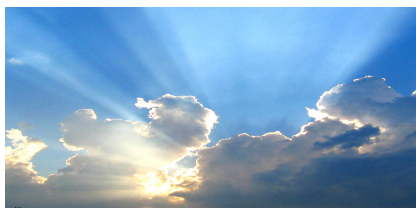

This collection is to support Bishop Monahan in his efforts to care for an increasing number of sick & retired Priests. Some of these Priests in their younger days, worked here in Kilrush Parish and gave their best. Now in their twilight years, they need care and some need nursing support. Your generosity to this appeal will help Bishop Monahan in his obligation to care for these elderly Priests. This collection will be taken up at all masses next weekend 14th/15th September.

The Season of Creation is a special time for the Catholic Church especially since Pope Francis devoted 1 Sept as a special Prayer Day for Care of the Earth. The season continues until 4 October the Feast of Saint Francis of Assisi. The Pope said we must realise that we are one human family. The earth is our home. We are not God. The Earth was here before us and was given to us. During this season we honour the Creator and preserve the network of life.
