PRAYER FOR STRENGTH DURING THIS CHALLENGING TIME

We pray for your love and compassion to abound as we walk through this challenging season. We ask for wisdom for those who bear the load of making decisions with wide-spread consequences. We pray for those who are suffering with sickness and all who are caring for them. We ask for protection for the elderly and vulnerable to not succumb to the risks of the virus. We pray for misinformation to be curbed that fear may take no hold in hearts and minds. As we exercise the good sense that you in your mercy provide, may we also approach each day in faith and peace, trusting in the truth of your goodness towards us. **Amen**

PRAYER INTENTIONS

For the Lord's blessing on all healthcare workers, first responders, and all essential workers, who risk their lives and health to keep us all safe and minded, and living lives as normal as possible. We pray too for all scientists working to combat disease of every kind especially the Corona Virus.

For our government and legislators, that they may have true wisdom and deep concern for justice, and for human dignity.

For anyone tempted towards despair, darkness, or anger in these difficult times, that they may find light and hope in good friends and neighbours.

For the souls of all our beloved departed, for the recently dead, and for parishioners whose month's mind remembrances and anniversaries we mark around this time. May they have the health and happiness of heaven.

"Start by doing what's necessary, then do what's possible, and suddenly you're doing the impossible".

St. Francis of Assisi

We strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

MONTH OF OCTOBER.....

St. Therese of Liseux, whose feast we celebrate on Thursday, 1st Oct & *St. Francis of Assisi*, on Sunday, 4th October are saints whose appeal goes well beyond the sphere of the Catholic and other Christian churches. People of all faiths, & none, are drawn to them. In them, humanity was at its very best, & humanity at its best is irresistible. That's what sainthood is!

St. Therese knew all about becoming a little child as did St. Francis who, after all, invented the beautiful tradition of the Christmas Crib.
