### THIS WEEK WE PRAY FOR

For the blessing of the pupils and students of our two parish primary schools, and of our local secondary school as they re-open and resume their mission in very challenging circumstances. May they step forward bravely, preserving good health, good humour, and good hope.

### FACE MASKS

As the current crisis continues to be part of our community and church life, new guidance is becoming available to us daily. It has now become the common practice in many Dioceses that there would be a strong encouragement for people who attend Mass or other Liturgies in churches to wear face masks. The wearing of masks has now become such a feature of all our lives in shops, post offices and every public place that people are becoming used to them. So we strongly recommend and encourage people to bring masks or face shields with them to church and to wear them. It is a protection for oneself and for those we meet.

### PRIESTS BENEVOLENT FUND

This collection is to support Bishop Monahan in his efforts to care for an increasing number of sick & retired Priests. Some of these Priests in their younger days, worked here in Kilrush Parish and gave their best. Now in their twilight years, they need care and some need nursing support. Your generosity to this appeal will help Bishop Monahan in his obligation to care for these elderly Priests. This collection will be taken up at all masses next weekend 12th/13th September.

### Getting Back on Track Financially Most of us

have some level of debt, but when unpaid debt becomes such a burden that it prevents you from getting out of bed in the morning, brings a sense of dread when answering the phone or opening the post, it is time to take control of the situation. The unfortunate reality is that due to the impact of COVID-19 many more people in Ireland may be struggling to pay their debts having recently lost their jobs or struggling to make ends meet on reduced incomes.

The effects of problem debt on a person's wellbeing and mental health can be severe and can prevent them coming forward for help but there is a solution to every debt problem and this is where the Insolvency Service of Ireland (ISI) can help. The ISI is the independent government body with four debt solutions to help people with all levels of problem debt - from credit cards to mortgages. It regulates debt advisors called Personal Insolvency Practitioners (PIPs). If you are insolvent and in arrears on your home mortgage you could also be eligible for a free consultation with a PIP under the State-funded Abhaile Scheme. The purpose of that Scheme is to help people in serious arrears to find the best available solutions, with the help of professional advisors. The priority will be to find a sustainable solution that keeps a person in their home, where possible. Visit [www.backontrack.ie](http://www.backontrack.ie) or freetext GETHELP to 50015

### Monday 7th is Exam Results Day, best of luck to all our leaving cert students
