### TODAY I CAN..

Today I can complain about my health, or I can celebrate being alive.

Today I can moan that it is raining, or be joyful at all that grows from the rain.

Today I can regret all I don't have, or rejoice in everything I do.

Today I can mourn everything I have lost, or eagerly anticipate what's to come.

Today I can complain that I have to work, or celebrate having a job to go to.

Today I can resent the mess the kids make, or give thanks that I have a family.

Today I can whine about the housework, or celebrate having a home.

Today I can cry over the people who don't care for me, or be happy loving and being loved by those who do.

**I choose to have a good day today!**

### MAY IS SAFEGUARDING MONTH

One of the impacts of Covid is a rise in the ' amount of screen' time. Finding ourselves spending more time looking 'down' than looking' up'. This is especially worrying for children. Please check out these useful Websites with resources for keeping our children safe online. *Office for internet Safety; Webwise; That's not cool; Think you know; Net lingo; Translate it; Laya Healthcare Online Safety; Screen Time app; Connect Safely; Google Family Safety Centre; PEGI Rating System; Kid Rex (safe search); YouTube Policy & safety; ICIA'S Parents Guide to Mobile Phones Irish Mobile Phone Operators Code of Practice.
