July 22: FEAST DAY OF ST. MARY MAGDALENE

On June 10, 2016, the liturgical celebration honoring St. Mary Magdalene was raised from a memorial to a feast, putting her on par with the apostles. She has the honour of being the first to see the empty tomb and the first to hear the truth of His resurrection. Christ has a special consideration and mercy for this woman, who shows her love for Him, looking for Him in the garden with anguish.
