Synodal invitation to all parishioners –

**Please take time to reflect on the following questions**

When you think of your experience of the local Church

1. In what way do you feel a sense of welcome and appreciation, a sense of belonging in our local Church Community?
2. How can we be a more inclusive church community & listen to voices who feel on the margins?
3. What encourages you to get involved in local Church community? What discourages you?
4. In what manner can we reach out? Where do you see Hope for the future?
