### A Summer Prayer

May you breathe in the beauty of summer its power of transformation.

May you seek and find spaces of repose during these summer months...

May these moments refresh and restore the tired places within you...

May you be open to times of celebration and recreation that are so much a part of summer...

May your eyes see the wonders of summer's colours...

May these colours delights you & entice you into contemplation & joy...

May you feel energy of summer rains penetrating thirsty gardens, golf courses, lawns and farmlands...

May your inner self be refreshed, restored and renewed... May you enjoy the unexpected and find surprises of beauty and happiness as you travel the roads on summer holidays.

**FRANCISCAN BROTHERS** We extend a very warm welcome to Brother Brian Johnson OSF, The Monastery, Clara who will visit our parish this weekend 15<sup>th</sup> / 16<sup>th</sup> July & preach at all Masses. The Franciscan Brothers were founded in Galway in early 1800's to bring education to the rural parts of Ireland. They were noted in particular for their work with the poor especially during famine times. They established the first agricultural college in Ireland in Mountbellew, Co. Galway in 1904. They now have missions in rural Kenya & Uganda. They run an agricultural college in both countries. Education is the vital key to progress. During times of drought, famine and conflict they help where they can. The Brothers are especially involved in reconciliation, the distribution of food, water and medicine during difficult times. As you leave after Mass there will be a collection to support the work of the Franciscan Brothers. We encourage your generous support.
