BLESSING FOR PEACE *BY John O'Donohue*

As the fever of day claims towards twilight, may all that is strained in us come to ease.

We pray for all who suffered violence today, may an unexpected serenity surprise them.

For those who risk their lives each day for peace, may their hearts glimpse providence at the heart of history.

That those who make riches from violence & war might hear in their dreams the cries of the lost.

That we might see through our fear of each other, a new vision to heal our fatal attraction to aggression.

That those who enjoy the privilege of peace, might not forget their tormented brother & sisters.

That the wolf might lie down with the lamb, that our swords be beaten into ploughshares, and no hurt be done anywhere along the holy mountain.

MISSION MONTH

This weekend parishes worldwide celebrate World Mission Sunday. The kindness shown will help overseas missionaries to continue to share the love of God with some of the world's most marginalised and vulnerable people. Thank you for supporting in whatever way you can, and please remember it is more than an appeal for financial help. Missionaries also need spiritual support.

On World Mission Sunday missionaries take great strength in knowing that the faithful of the world are keeping them in their thoughts and prayers. To learn more go to www.missio.ie
