### FEAST OF THE BAPTISM OF OUR LORD – A TIME TO REFLECT ON OUR OWN BAPTISM

This is the day for us to remember the graces we have received in Baptism and to renew our Baptismal promises: On the day of our Baptism, as Pope St. John Paul II explains, "We were anointed with the Oil of Catechumens, the sign of Christ's gentle strength, to fight against evil. Blessed water was poured over us, an effective sign of interior purification through the gift of the Holy Spirit. We were then anointed with Chrism to show that we were thus consecrated in the image of Jesus, the Father's Anointed One. The candle lighted from the Paschal Candle was a symbol of the light of Faith which our parents and godparents must have continually safeguarded and nourished with the life-giving grace of the Spirit." This is also a day for us to renew our Baptismal promises, consecrating ourselves to the Holy Trinity and "rejecting Satan and all his empty promises," which our profane world is constantly offering us through its mass-media of communication. Let us ask Our Lord today to make us faithful to our Baptismal promises. Let us thank Him for the privilege of being joined to His mission of preaching the "Good News" by our transparent Christian lives of love, mercy, service and forgiveness.

**Congratulations!**

You are the Alpha and Omega, the First and the Last, the God of new beginnings and the God who writes all ends...Thank you for being the Lord of fresh starts. **Help me for get what is behind me and strain toward what is ahead**. Give me a fresh vision for the future and help me trust Your goodness and love. **Help me cultivate a joyful expectation that goodness is coming**. Help me **not to despise my small beginnings** but to rejoice in them, knowing that the small steps I take towards renewal bring you joy, too. **Give me wisdom** to discern which first steps I need to take, **and power** to carry them out.
